

Development Officer, Major Gifts

Looking to join a hard-working team of major gift fundraisers? You found it!

The Bridgeport Hospital Foundation, Bridgeport, CT, part of the Yale New Haven Health System - the premier academic medical system in the state, is looking for a dynamic individual to help elevate our major gift program.

The Development Officer Major Gifts at Bridgeport Hospital is responsible for a prospect list of 125 to 150 individuals. Duties include personally developing and implementing strategies for the identification, cultivation, solicitation, and stewardship of individuals for support of hospital fundraising priorities including restricted, unrestricted, and endowment support. Contributes to the attainment of the overall fundraising goal for the Bridgeport Hospital Foundation as well as the Major Gift goal. Participates as a member of the overall Development team, Major Gifts team, and reports directly to the Director of Development.

HOURS: Full time; Days 8:30 am to 5:00 pm in person. Some evening and weekend events

Minimum bachelor's degree. CFRE preferred. Minimum five (5) years solid major gift fundraising experience preferred. Must be able to establish revenue goals, number of qualified prospects, number of visits, number of renewal/first-time gifts, number of solicitations, number of gift closures, and other moves required. Will perform and report on a wide variety of tasks related to fundraising. The candidate must be persuasive, personable, and an appropriate hospital representative.

Salary range is \$65,000-\$95,000 annually based on experience. Generous benefits package including health, dental, and vision care plans, tuition reimbursement, and retirement.
